

EMERGING TECHNOLOGY CONFERENCE KINGS NORTON CITY LEARNING CENTRE

21st June 2010

The focus of this first, in what will hopefully be a series of conferences, is around Creative Digital Media. There will be presentations from the BCS on Digital Creator Level 1 and 2; Kudlian Software on using stop frame Animation and Green Screen in the curriculum; Mobility in Learning with Apple iPods, iPads and iTunes U; Video Analysis for sports and lots more..
